

Tilgate Nature Centre's Easter Holiday Project

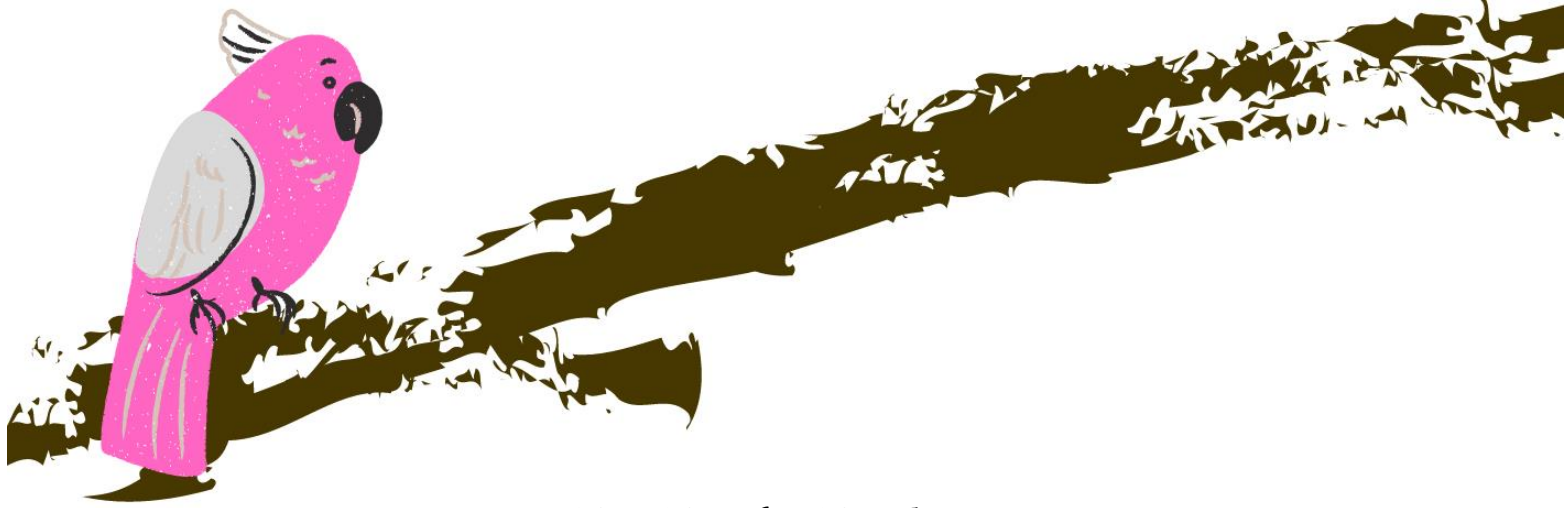

Pick 3 of your favourite animals. Find out as much as you can about them! All the fun, interesting and crazy facts! Where are they from? What do they like to eat? What special adaptations do they have?

Now present what you have learnt and create your own
**WILDLIFE MAGAZINE, TV SHOW or RADIO
SHOW/PODCAST!**

Tips Tops for Wildlife Magazine

Be as creative as you like. Use lots of pictures and colourful images. Think of a name for your magazine. Think about what other wildlife magazines look like?

Top Tips for TV Show

You can use a phone or camera to record these. You could watch some wildlife shows to get ideas. Think about whether you want to use music and props. You can even include clips of your own pets or wildlife that you can see from your window or garden.

Top Tips for a Radio Show/Podcast

You can use a phone to record your radio show or podcast. Think about how you will be entertaining your listeners. Do you want to make people laugh? Or just focus on the animal facts?

Please do share these with us on the Tilgate Nature Centre Education Page on Facebook, we will be awarding a prize for the best entry of each category!

Have fun!
