

Build Your Own Mini Bug Hotel!

Plastic Bottle Motel

- Cut the ends off an old plastic bottle.
- Poke some holes in the bottle too!
- Stuff the bottle with sticks, moss, leaves etc.
- Leave on the ground somewhere cool and dark, at an angle so water can drain out.

Pine Cone Tree House

- Collect pine cones!
- Squish them tight together in an old string bag (like one oranges come in!)
- Use moss and leaves to fill in any gaps.
- Hang from a tree!
