Can you choose the frog body parts from the list below to complete the poem?
Use the rhymes to help you!

A frog's _____ is sticky and long, ours just tells us when food tastes wrong.

Like us they have two big _____, but they use theirs to look for flies!

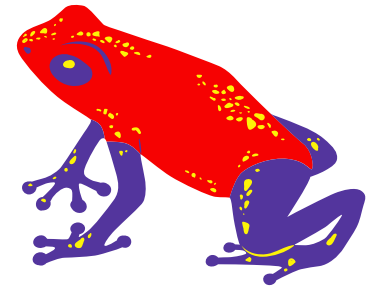

Their _____ are big for easy hopping, which we can't do without quickly stopping.

Pads on their _____ stop them slipping, so they're almost as good as us at
gripping.

Frog have three chambers in their _____, unlike a human's which has four parts.

Frogs can actually breathe through their _____, but ours just keeps our insides in.

And a final fact, one I'm sure you knew, they love to swim, like we do too!

A frog's **TONGUE** is sticky and long, ours just tells us when food tastes wrong.

Like us they have two big **EYES**, but they use theirs to look for flies!

Their **LEGS** are big for easy hopping, which we can't do without quickly stopping.

Pads on their **FEET** stop them slipping, so they're almost as good as us at gripping.

Frog have three chambers in their **HEARTS**, unlike a human's which has four parts.

Frogs can actually breathe through their **SKIN**, but ours just keeps our insides in.

And a final fact, one I'm sure you knew, they love to swim, like we do too!

**Frogs can be
very colourful!**

**Why not colour in
the frog?**
