

Reindeer Games!

Race to build a reindeer before someone else! Roll some dice to complete each body part! If you roll a 1, draw the face, 2 draw the antlers, 3 the body, 4 the front legs, 5 back legs and 6 the tail. To win, you must have your whole reindeer completed, (with 2 of each type of legs!) Can you make your reindeer first?

Why not set up a tournament with your family?
