

Mousey Mystery Riddles!

A mouse's view of the world is very different to ours! Can you work out what Christmassy things the mouse has seen from the descriptions?

"It was green, thick and reached up high, lit but not by the sun in sky, with hanging things that were not fruits and carpet held it up not roots."

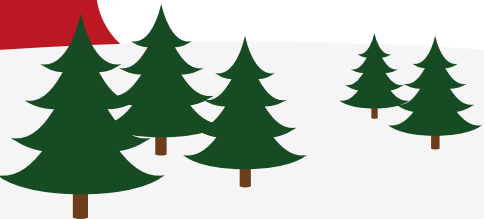

It was a _____ .

"I saw a tube with colours bright, the noise it made gave me a fright. Its name promised snacks to share, but inside was a joke and a hat to wear."

It was a _____ .

"Flat and wide but not a wall, with many doors, but very small. I tried to open the biggest door, I smelled chocolate inside, I'm sure."

It was an _____ .
